

Infant Sleep Suffocation: Preventing a Tragedy
Starting: October 1, 2020 - Ending: October 1, 2022
Online eLearning Module

Attendees: Prior to the start of the activity, please review the below information to ensure successful participation in this Enduring Internet Activity

Activity Location: www.azpedialearning.org
Log-in Information can be found via the corresponding Registration Instruction Sheet

Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the Arizona Chapter of the AAP (AzAAP). The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this enduring material for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

PAs may claim a maximum of 1.0 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

This program is accredited for 1.0 NAPNAP CE contact hours of which 0 contain pharmacology (Rx) content, (0 related to psychopharmacology) (0 related to controlled substances), per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 1 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

If you do not successfully complete all components of the activity and evaluation assessment ABP MOC Part 2 Points will not be awarded.

Please note: your completion data will be shared with the ABP through the ACCME PARS system within 30 days of successful completion. This will include the name of the activity and provider; participant name; participant's ABP ID number; participant's DOB; date of completion of the activity; the PARS activity identifier; ABP MOC Part 2 credit statement and number of MOC points awarded. If any questions or concerns, please contact the activity manager Karyne@azaap.org.

Purpose of Course

Knowing that infant sleep suffocation is the leading preventable cause of infant deaths in Arizona, AzAAP has developed an online training to address the educational needs of pediatric professionals and to help them identify risk factors and intervene early with appropriate anticipatory guidance to help prevent such deaths.

Learning Objectives

At the conclusion of this activity, learners will be able to:

To introduce the epidemiology of infant sleep suffocation, focusing on data from the Arizona Child Fatality Review Program;

- Examine primary risk factors among infants who died;
- Review the AAP's recommendations for safe infant sleep;
- Discuss how providers can intervene early with appropriate anticipatory guidance to help prevent such deaths

Disclosure of Commercial Support for AAP CME Activities

No commercial support is associated with this CME activity.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities

The AAP CME/CPD program develops, maintains, and improves the competence, skills, and professional performance of pediatricians and pediatric healthcare professionals by providing quality, relevant, accessible, and effective educational experiences that address gaps in professional practice. The AAP CME/CPD program strives to meet the educational needs of pediatricians and pediatric healthcare professionals and support their lifelong learning with a goal of improving care for children and families. (AAP CME/CPD Program Mission Statement, May 2015)

The AAP recognizes that there are a variety of financial relationships between individuals and commercial interests that require review to identify possible conflicts of interest in a CME activity. The “AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities” is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest prior to the confirmation of service of those in a position to influence and/or control CME content. The AAP has taken steps to resolve any potential conflicts of interest.

All AAP CME activities will strictly adhere to the *Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support: Standards to Ensure the Independence of CME Activities*. In accordance with these Standards, the following decisions will be made free of the control of a commercial interest: identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods, and evaluation of the CME activity.

The purpose of this policy is to ensure all potential conflicts of interest are identified and mechanisms to resolve them prior to the CME activity are implemented in ways that are consistent with the public good. The AAP is committed to providing learners with commercially unbiased CME activities.

DISCLOSURE OF FINANCIAL RELATIONSHIPS

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Listed below are the disclosures provided by individuals in a position to influence and/or control CME activity content.

* A commercial interest is defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.

Name	Role	Relevant Financial Relationship (Please indicate Yes or No)	Name of Commercial Interest(s)* Please list name(s) of entity <u>AND</u> Nature of Relevant Financial Relationship(s) (Please list: Research Grant, Speaker's Bureau, Stock/Bonds excluding mutual funds, Consultant, Other - identify)	Disclosure of Off-Label (Unapproved)/Investigational Uses of Products AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. <u>(Do intend to discuss or Do not intend to discuss)</u>
Kathy Bowen MD, FAAP	Author/Planner	NO	NONE	Do not intend to discuss
Mary Rimsza MD, FAAP	Author/Planner	NO	NONE	Do not intend to discuss

Method of Participation, Minimum Performance Level, and Credit Claiming

The learners will take a pre-test to assess prior knowledge of infant sleep suffocation and best practices. The learning module, estimated to take 1 hour to complete, will cover material addressing the course objectives. The learner will then take a post-test to assess the learner’s knowledge. Passing standard is 80% after no more than 3 attempts, and once the minimum passing standard is met, credit will be awarded.

To record your *AMA PRA Category 1 Credit(s)*™ in the AAP transcript system, physicians need to directly access the transcript system on *PediaLink*® at www.pedialink.org, within one year of completing the activity. AAP members and *PediaLink*® subscribers may access their transcripts free of charge; non-members may choose to access their transcripts for a fee. The subscription fees are posted at www.pedialink.org. AAP Members, *PediaLink*® subscribers or non-members who want the AAP to record their credit for them must return this form and a check for \$25.00 payable to the AAP. Your credits will be recorded, and a transcript sent to you. AAP Members and *PediaLink*® subscribers, please make sure to include your AAP ID number.

Name of Medium or Combination of Media Used

Online learning module course via a computer and internet connection via www.azpedialearning.org

List of hardware/software requirements-

Our Technical Support team would like to ensure that you have a great experience with our streaming media services. Due to variations in PC and network security configurations, we recommend that you test the ability to receive streaming media before the day of this event on the computer you will be using to view the event. To do this, click the "Test Your Computer Now" button below. You will hear a short announcement and see slide information.

If you are unable to open and play the presentation, the test has failed. In this case, you may either need to try another computer or consult with your network administrator to obtain privileges required to view streaming media. This process could take some time, so please conduct this test as soon as possible.

System requirements-

The system requirements for viewing a streaming media event are:

SYSTEM REQUIREMENTS

- An internet connection – broadband wired or wireless (3G or 4G/LTE)
- Speakers and a microphone – built-in or USB plug-in or wireless Bluetooth
- A webcam or HD webcam - built-in or USB plug-in
- Or, a HD cam or HD camcorder with video capture card

SUPPORTED OPERATING SYSTEMS

- Mac OS X with MacOS 10.7 or later
- MacOS 10.6.8 (Snow Leopard) with limited functionality (Zoom version 3.6)
- Windows 10
- Windows 8 or 8.1

Windows 7

- Windows Vista with SP1 or later
- Windows XP with SP3 or later
- Ubuntu 12.04 or higher
- Mint 17.1 or higher
- Red Hat Enterprise Linux 6.4 or higher
- Oracle Linux 6.4 or higher
- CentOS 6.4 or higher
- Fedora 21 or higher
- OpenSUSE 13.2 or higher
- ArchLinux (64-bit only)

SUPPORTED TABLET AND MOBILE DEVICES

- Surface PRO 2 running Win 8.1
- Surface PRO 3 running Win 10
- iOS and Android devices
- Blackberry devices

SUPPORTED BROWSERS

- Windows: IE7+, Firefox, Chrome, Safari5+
- Mac: Safari5+, Firefox, Chrome
- Linux: Firefox, Chrome
